See attached

The defendant has not complied with the condition that she report to Pretrial Services. On November 2, 2005, a Pretrial Services Officer conducted a visit to the defendant's residence, but did not make contact with the defendant. Pretrial Services attempted to contact the defendant on her mobile phone, leaving a message for her. The defendant contacted Pretrial Services on November 9, 2005, and was directed to report to our office on November 17, 2005. The defendant failed to report.

On November 23, 2005, Pretrial Services again attempted to contact the defendant at her residence. The defendant was not present at this residence, and an individual who was present at this residence advised the defendant no longer lived there. Pretrial Services contacted the defendant on her mobile phone, and she advised that she did in fact still live at this residence, claiming that her roommate provided Pretrial Services with false information. The defendant was directed to report to our office on November 28, 2005. The defendant failed to report.

On December 11, 2005, Pretrial Services again attempted to contact the defendant at her residence. The defendant was not present at this residence, and Pretrial Services could not reach her on her cell phone.

On January 3, 2006, Pretrial Services attempted to contact the defendant on her mobile phone, and received a message indicating the number had been disconnected. Pretrial Services then contacted the defendant's attorney, who advised he had not spoken to the defendant in several months.

PRAYING THAT THE COURT WILL ORDER A warrant be issued for the defendant's arrest.
